

Family Guide to NYS Early Childhood Services - Prenatal through Age 5

A resource guide for families to connect and link children to early childhood services throughout New York State

Home Visiting (age prenatal – 5)

Home visitors offer support to pregnant women and families with children birth to age 5 to promote healthy child development. Home visiting is provided at no cost to your family. To find a home visiting program near you: www.health.ny.gov/ParentingSupport

Home Visiting Programs connect families to community resources:

- Medical, Dental & Mental Health Services
- Child Care and Head Start
- Early Intervention Services
- Food, Housing and Employment

Child Care (age 6 weeks – 5+)

NYS Office of Children and Family Services provides information on:

- finding care
- paying for care

The website includes helpful videos and handouts and local child care resource and referral agency contacts.

www.ocfs.ny.gov

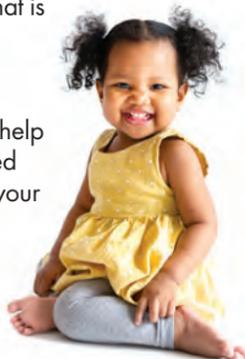

QUALITYstarsNY (QSNY)

QSNY is the NYS quality rating and improvement system to ensure that young children in early care programs have access to excellence and their families can trust the quality of the programs they choose.

www.qualitystarsny.org/families

Steps for seeking child care

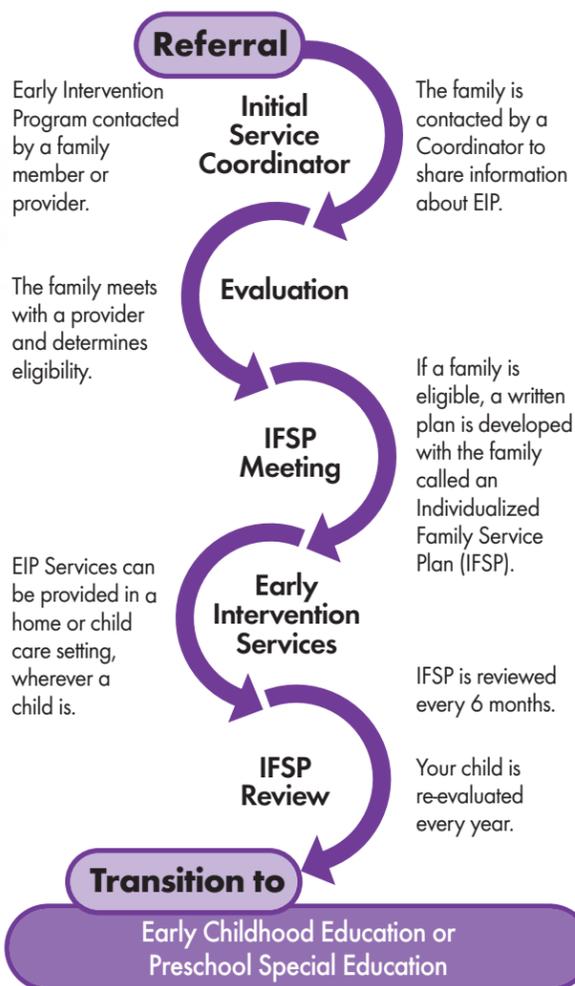

- 1 Start Early**
Finding the right child care for your family can take some time. It's good to look even when you're pregnant.
- 2 Call Your Local CCR&R**
Contact your local Child Care Resource and Referral Agency for information about programs in your area.
- 3 Visit and Ask Questions**
Visiting is the best way to decide the best fit for your child and family. Make a list of what is important to you.
- 4 Get Involved**
Involvement can help you build a trusted connection with your child's provider.

Early Intervention (age 0 – 3)

Every county has an Early Intervention Program (EIP) to support infants and toddlers ages birth to 3 years with disabilities or developmental delays. Services are provided at no cost to eligible families. Find your county provider at:

www.health.ny.gov

Examples of Early Intervention Services include:

- Speech therapy
- Physical therapy
- Home visits
- Family counseling

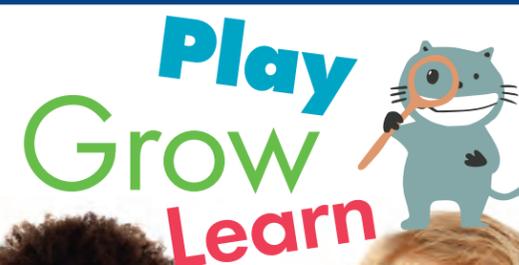

Head Start (age 0 – 5)

Head Start/Early Head Start offer services and supports to help families reach their goals. Programs offer full-day, half-day and home visiting options at no cost to eligible families.

To find a program near you go to: edlkc.ohs.acf.hhs.gov

Head Start Supports

Early Learning • Health • Family Well-Being

State-Funded PreKindergarten (age 3 – 4)

Prekindergarten helps prepare children for school. Programs are offered through your local school district or community based organizations at no cost to your family. Check with your local district to see if a program is available in your community.

www.p12.nysed.gov/earlylearning

Preschool Special Education (age 3 – 5)

Preschool Special Education provides services to meet the needs of identified preschool students with disabilities. Services are provided through your local school district at no cost to your family.

www.p12.nysed.gov/specialed

Preschool Special Education includes:

- 1 IEP**
An Individualized Education Program (IEP) developed to meet your child's needs and goals.
- 2 Annual Review**
A meeting each year to review your child's progress and determine next year's goals.
