ECAC Idea & Recommendation Review Tool

Purpose: To determine whether an idea is ready to move forward as a potential recommendation to the Governor's Office.

Committee Name:

Date:

Names of Committee Members present:

Idea Description:

Eligibility to Move Forward

All required items must be marked "Yes" for the idea to advance.

#	Review Question	Y / N	Notes
1	Does the idea explicitly focus on early childhood (ages 0–8)?		
2	Does the idea satisfy at least one requirement outlined in ECAC's codification?		
3	Will this recommendation advance racial equity within the early childhood system?		
4	Is ECAC well-positioned to advocate for this recommendation?		
5	Does the recommendation clearly articulate its impact on the early childhood system?		
6	Does ECAC have sufficient data and an understanding of financial implications to support this recommendation?		

7	Does this recommendation complement or align with other task force or workgroup efforts?		
8	Is this recommendation reflected in ECAC's Strategic Plan? If yes, which goal does it align with?		

Additional Considerations (For Discussion & Refinement)

Consideration	Notes
Does this idea build on recent budget, legislative, or policy wins?	
Are other workgroups supportive of this idea?	
Has this idea been proposed or before? If so, by which group?	
What opposition may exist to this recommendation?	
What support exists within the legislature?	
Who is missing from the table that could strengthen or inform this idea?	
What additional resources (data, research, partnerships) are needed to further develop this recommendation?
